### Wall Painting by 3<sup>rd</sup> year Students (Batch of 2024)

The 3<sup>rd</sup> year students of B.A. Psychology Honors made a wall painting next to the staff-room, over the course of their last week (6<sup>th</sup> to 10<sup>th</sup> May, 2024) in the Department, before graduating. The initiative was led by a few students who made the rough layout and prepared the painting of the entire tree, over multiple days, and the entire batch used their hand-prints to adorn the branches of the tree, writing their names near their imprints, leaving behind a legacy. The activity was thoroughly enjoyed by all students.
