Career Counseling Session On Employment Opportunities from Sanskrit

The Department of Sanskrit organized a Career Counseling Session on March 5, 2021. The topic of the session was "Employment Opportunities From Sanskrit". The speaker of this session was Prof. Girish Chand Pant Head, Department of Sanskrit, Jamia Millia Islamia University.

The program started with invocation by Preeti, a third year student, who formally started the program by singing Ganesh Stuti. After the invocation, the Principal of the college, Prof. Harpreet Kaur guided everyone through her enlightening words.

After the statement of the principal, Professor Pant was invited to make the students aware of the employment opportunities related to Sanskrit and also provide complete information about it. While giving information about the syllabus of Delhi University, Mr. Pant gave employment-oriented guidance. According to him, a student of Sanskrit can get employment in many fields, but the most important thing is that the student should be proficient in that field.

He gave information about employment in many fields like news reading, news editor, astrology consultation, teaching, translator, writer, social reformer, architectural consultant, scriptwriter etc. to the girl students. The students listened to his enlightening speech attentively and benefited from it.

All the faculty members of the Sanskrit department, Principal Prof. Harpreet Kaur, and more than 40 students of the Sanskrit department were present there. Apart from the students of Mata Sundri College 10 to 12 students of Jamia Milia University also participated in this program and got benefitted.

In the end, senior faculty of the department, Dr.Asha Rani, formally concluded the program with the vote of thanks. The event was successfully moderated by Dr. Monika Mishra, faculty of the Sanskrit department.
