

E-waste Management awareness Event

E-waste Management awareness Event

EVS Department of Mata Sundri College for Women organized an awareness event regarding e-waste management on 15 December 2022. The guest of honor was Mr. Shiv Chandr Jha, Associate Manager Operations of Attero Recycling Pvt.Ltd.

The event began by Dr. Kavita ma'am welcoming the chief guest and Principal ma'am, Prof. Harpreet Kaur, stating how Mata Sundri College for Women has always taken initiatives to work towards spreading awareness relating to environmental issues. The college has always promoted sustainable development and has societies which actively participate for conserving our environment. She also mentioned how the college is targeting to install solar plants in the campus to make the environment more eco- friendly.

Then Prof. Pooja Jaggi ma'am talked about how disposal of electronic waste has become a major issue in today's time and the importance of citizens being made aware about e-waste management. She urged everyone to separate the waste at the time of disposal.

The chief guest of the event, Mr. Shiv Chandr Jha, of Attero Recycling Pvt.Ltd, took to stage and mentioned the impact which e-waste has in the society. e- Waste has various health hazards and if not dealt properly can have harmful effects. The importance of three R's (reduce, reuse and recycle) for e- waste management was discussed in detail . He then proceeded to talk about how Attero works in recycling of the e-waste. How e-waste is collected from doorstep by Attero and recycled in a scientific manner.

A video on e-waste management was also played which enlightened the students and professors more on e-waste management and India's problems on e-waste. It also talked about the recycling process of Attero and how the metals extracted from e-waste are reused in various ways.

The event was concluded by Prof. Harpreet Kaur ma'am thanking the chief guest and our college's EVS department. She urged the youth to work towards creating awareness regarding environment and e-waste management. She then proceeded to honor the chief guest, Mr. Shiv Chandr Jha, in an eco-friendly way, with a plant.

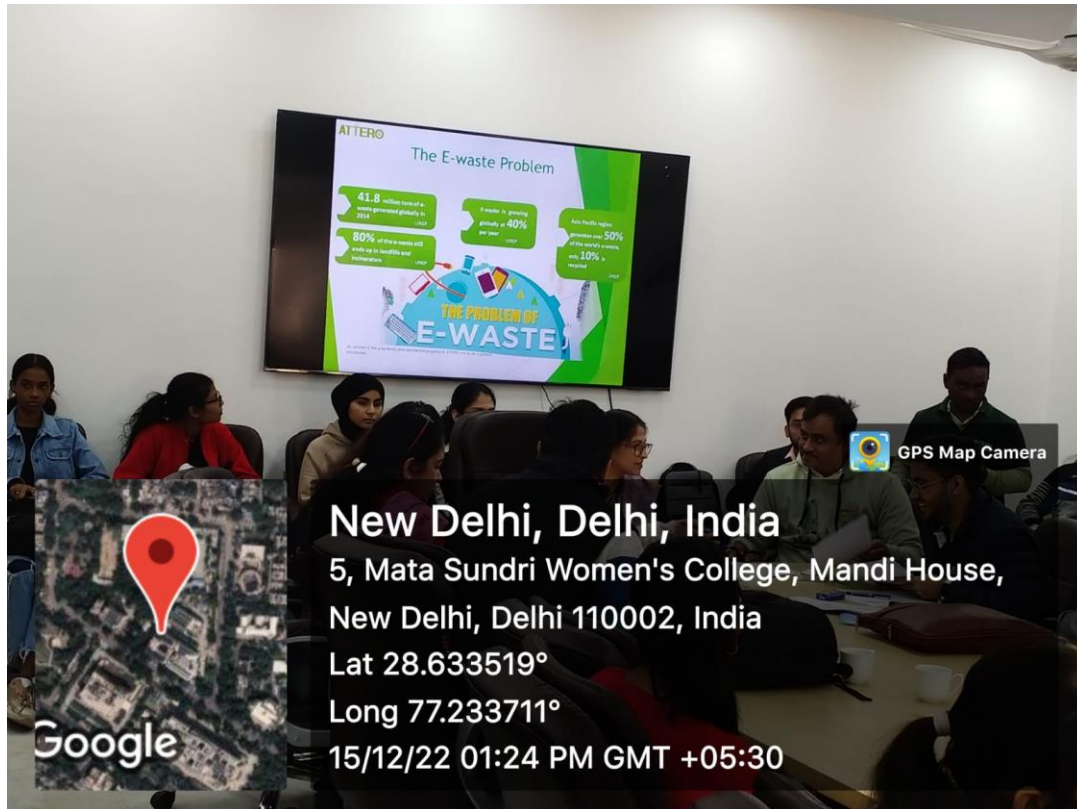

Prof. Pooja Jaggi ma'am honored the principal by presenting a plant and ended the event with a vote of thanks for our chief guest, principal and everyone present in the event.

The event was interesting and educational.
