

Eco-Friendly Festival Celebration

Department of EVS,

Mata Sundri College for Women organized an Eco-Friendly Festival on the occasion of Diwali.

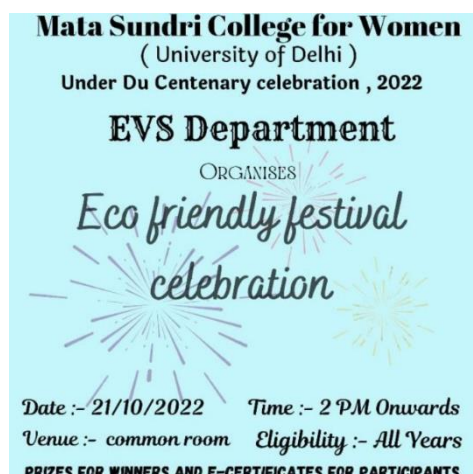

Date: 21 Oct 2022

Time: 2 pm Onwards

Venue: Common Room

Number of Participants: 10

Overexploitation, pollution, and destruction of natural resources can cause an imbalance in nature. Since mankind is a part of nature, it is crucial to switch to eco-friendly products to help save nature from destruction. The Department of EVS department a competition, which included Rangoli Making, Diya Making, Candle Making, Idol Making, etc. Diwali, which is environmentally friendly, helps to decrease noise and pollution. Earthen diyas are ideal and may be readily discarded without harming the environment. Green Diwali is a way to celebrate the festival with minimum Consequences to the environment. This event helps to reach many people and make them aware of the importance of Ecofriendly Diwali. The event was a huge success filled with enthusiasm and active participation from the volunteers The winners were given exciting prizes and E-certificates were provided to all the participants.
