

# **DEPARTMENT OF EVS PLANTATION DRIVE**

**Report Prepared for :- Mata Sundri College for Women,  
University of Delhi**

Date: - 28 August, 2023

Time:- 12:30 PM

Venue:- College Campus

Convenor :- Dr. Kavita Singh , Dr. Meenakshi Goenka

Co-Convenor:- Dr. Sapna Dhaliwal

Coordinator:- Prof. Pooja Jaggi

Principal :- Prof. Harpreet Kaur

Under the aegis of Mission LIFE ( Lifestyle for Environment), introduced by the Honourable Prime Minister to rekindle a global pursuit to adopt sustainable lifestyle and practices, the University of Delhi is set out to organise a campaign in the form of a mass tree plantation drive. This endeavour is not only an extension of the mission LIFE, but also an opportunity for us to collaboratively contribute to the betterment of our environment, both aesthetically and ecologically.

Department of Environmental Studies of MSCW in collaboration with Gardening Committee and Swachh Core Team (MSCW) organises - PLANTATION DRIVE on 28 August, 2023 at 12:30 pm in College Campus.

The convenor of the Department of EVS and Swachh Core team - Dr.Kavita Singh, coordinator - Prof.Pooja Jaggi and Chief Student Coordinator - Riya Jain collect 12 saplings on 25 Aug, 2023 from University of Delhi, Garden Committee ...with permission of Prof.Rupam Kapoor ( Garden Secretary, Garden Committee, University of Delhi) and planted it in college campus on 28 Aug, 2023.

We collected different kind of saplings like - 2 Amaltas, 2 Jacaranda, 2 Gulmohar, 2 Ashoka Longifolia, 2 Lasoda and 2 Champa.

At 12:30 pm Department of EVS , Swachh Core Team and Gardening Committee, all planted the saplings in college campus. Dr.Kavita Singh, convenor of the event ended the event with a vote of thanks for our co-

convenor, coordinator, gardening committee, and students of department of EVS and Swachh Core team.

Feedback cum Attendance form was circulated that was supposed to be filled by the members of Department of EVS and Swachh Core Team.

The event was nice as planting trees goes beyond the simple act of placing seeds in the ground; it is an investment in the well-being of our future generations and the planet we share.
