

**FIELD VISIT
2023-2024**

Date: 4.12.23

Place: Gurudwara Bangla Sahib

Time: 1-3pm

The Department of Elementary Education organized an educational visit for its first-year ITEP students on December 4th, 2023.

Today we visited the Bangla Sahib Gurdwara which is located in Connaught Place. Once the students were settled, we proceeded to seek blessings at Gurdwara Sahib. A volunteer from the Gurdwara Committee assisted and educated us about the cultural significance and the teachings of Sikhism which promotes oneness. She also taught us about the history behind the Sarovar and the khanda.

We also attended the workshop. In the workshop we observed that the holy scriptures, manuscripts, bangles and lockets were displayed for passersby to buy. We also saw active participation from people of all age groups and castes. The Gurdwara Sahib is very calming and soothing. One should take a break from hasty city life and enjoy this soothing experience.
