

STUDENT SATISFACTION SURVEY

Students are the most important stakeholders of an institution. Assessing student satisfaction enables the institution to focus directly on issues of quality and development and ensure that educational standards are high. Measures of Student Satisfaction can also assist in identifying and implementing areas for development. In the academic session, 2019-20 feedback was received from 1910 students about various aspects of the college including administrative support and infrastructure. The results are displayed below:

- **Rating of some aspects of the college**

Do you participate in extra curricular activities (ECA)?

Do you think Cultural/Academic Events and Activities are useful and add to the all round development of the students of the college

Are you satisfied with the equipment, amenities and assistance available at the college for ECA activities?

Suggestions:

- The college authorities need to pay more attention to washroom cleanliness and maintenance.
- The wi-fi and internet facility in the college needs to be improved.
- The societies can be provide separate rooms so that students can hold meetings for planning different activities.
