**3. Workshop of paper recycling unit at Bal Bhavan**

Participated in workshop of paper recycling unit at Bal BhawanMandi House, New Delhi, Delhi 110002 on 5<sup>th</sup> March 2016. Students were given hands on the process of waste **paper recycling** involving mixing used/old **paper** with water to break it down resulting into mixture called pulp, or slurry and subsequently removing water from mixture turning slurry into paper.

Workshop on Paper Recycling Unit organized by Department of Environmental Studies, Mata Sundri College for Women, DU in collaboration with Bal Bhawan, Delhi

**Mata Sundri College for Women  
(University of Delhi)  
Mata Sundri Lane, New Delhi-110002**

**Ph: 23237291**

*Instructions of paper recycling Unit*

*Paper soaking in water blended to give it strength/ smoothness*

*watery pulp mixture is then poured into headbox with a huge wire mesh-like screen moving very quickly through the paper machine*

*Spreading of paper slurry*

*On the screen, water starts to drain from the pulp, and the recycled fibers begin to bond together to form a watery sheet*

*press rollers which squeeze out more water from the pulp.*

**E waste collection drive.**

Enactus began with its first project on 27th August 2019. It aimed to collect electronic waste available with the students and college authorities. Contributions were made on a large scale. The team ensured the smooth working of the drive and successfully collected **19 kgs of e-waste**. The boxes for collection were placed near the Gurudwara and the lift on the ground floor. Students were encouraged to bring the waste via campaigning done both online and offline modes.

The e-waste collection drive ran for two months. The team collaborated with a NGO namely Chintan so that the material collected could be **reused or disposed off in an environmentally safe manner**. The last date for the campaign was 4th October.

*"We Reap What We Throw" – An Interactive Session on Solid Waste Management*

Date: 8<sup>th</sup> November, 2020

Team Enactus, Mata Sundri College for Women conducted an Interactive Webinar on Solid Waste Management on 8<sup>th</sup> November 2020 at 11:30am via Google Meet. The domain experts for the event were Mr. Omendra Srivastava, Technical Head of Swachh Bharat Mission and Mr. Ajay Arora Founder of Waste Management Corporation. Honourable Principal Dr. Harpreet Kaur graced the event with her presence and offered encouragement to the participants. A total of 125 participants attended the webinar.

Mr. Omendra Srivastava focused on changing the misconceptions around waste by emphasizing that waste is a resource which can generate energy and employment if correctly managed. He talked about the huge career potential for youth in the field of solid waste management in India, providing data through a stimulating presentation that revealed that India is currently managing only 30% of solid waste in a compliant manner whereas the rest 70% is disposed of in landfills and is gradually being managed with improved technology and resources.

Mr. Ajay Arora outlined the milestones and achievements of the start-up company Waste Management Corporation to inspire students to explore the field and emphasized the dignity of labour involved in waste-management. He outlined the business prospects of SWM and encouraged students to do field-trips to their organization and collaborate with various NGOs to get started.

The experts answered wide-ranging questions asked by the audience, including queries on biomedical waste-management and waste worker-safety during the Covid-19 Pandemic and how plastic is being recycled and being reinserted as a resource into the economy.

The webinar was a thoroughly educational event for the audience. As feedback for the event, Mr Omendra Srivastava remarked, "I on behalf of Ministry of Drinking Water and Sanitation (Jal Shakti) congratulate the entire management, teachers, advisors, students of Mata Sundri College and assure them my best support ever for any noble cause related to environmental field."

'ENVIRONMENT AND SUSTAINABILITY'**  
*Supported by*  
   
**ABOUT THE COURSE**  
The program highlights all the themes relating to environment and sustainability. This course curriculum encourages ideas and questions on sustainability and make us realize the grave situation that we are currently in. With the fast depleting flora and fauna, we are facing a threat to our existence. Integrated learning is only possible when learning has many voices and is polyphonic. Each voice counts, as students, academicians and scholars devise their own ways to reach sustainability.  
**Starting from April 8, 2021**  
**REGISTER HERE**  
**COURSE FEES- 750/- (NON- REFUNDABLE)**  
**LIMITED SEATS • TOTAL DURATION- 30 HOURS**  
**E-Certificate will be provided after completion of the course\***

**About the course**

This course will teach students how to create and restore a positive self-image for a happy and a successful life. This course aims to familiarize the students with tools and methods to embark on the journey of personal growth. A positive self-image is one of the key elements for a successful life. Thinking positive and staying happy is a conscious effort, it is a life skill which needs to be learned and practiced every day for a better life. This course will take the students through the process of self-discovery and it will reinforce the belief that they have the power to create the life which they want. The course will be highly interactive and will focus on experience rather than theory. The students will learn how to build a positive self-image through activities, experience sharing and real-life stories. The course is designed in various modules which will focus on the power of choosing the right words, of loving oneself, forgiveness (others and self), kindness, gratitude, compassion, leadership and mindfulness. Students will be assessed at the end of each module by means of a quiz and/or a written test. They will be required to record their interpretation of the course learnings in their daily life in a journal. They will also be expected to collate the experiences and present in a form of a group presentation or an essay.

**About the Department of Philosophy, Mata Sundri College for Women**

**Department of Philosophy, Mata Sundri College** was established in 1969. It offers Honours program and inter disciplinary courses in Philosophy for undergraduate students. The faculty comprises of hardworking and exemplary teachers who motivate young minds constantly. The department

takes pride in having illustrious current and former faculty members, among whom Dr. Satnam Kaur has been the former principal of the college.

**About the college**

**Mata Sundri College For Women** is an institution where we strive to achieve excellence not only in higher education but also women empowerment. A constituent college of the University of Delhi, the college, was founded on 17th July, 1967 by the Gurudwara Prabhandak Committee, Delhi State. We are proud of a robust student strength of more than four thousand vibrant young women in the college and a strength of 175 distinguished faculty members and 64 members of the non-teaching staff. With its extremely well qualified teaching faculty and an efficient support staff backing them, the college provides an ideal learning environment for young women, giving shape to their most cherished dreams and wings to their creative pursuit. We are a college offering Humanities, Commerce and Science courses to students who come from an eclectic background. Our college is one of the eight colleges of University of Delhi which offers the Bachelor of Elementary Education (B.El.Ed.) course which is an integrated professional degree program. In addition, with a view to encourage skill based education, we offer many skill development programs like Basic and Advanced Courses in Computers, Travel and Tourism, Textile Designing and Foreign Languages. Our mission is to provide quality education to students that not only nurtures individual talents but also fosters a spirit of camaraderie and teamwork. This is blended with sound values and ideals. Besides our commitment to academic excellence, we also pursue extra-curricular activities with equal enthusiasm.

### Students' Benefits

By the end of the course the students will gain clarity and confidence in their own abilities and strengths. They will learn:

- The value of a positive self-image
- How to face challenging situations which create a sense of despair within them.
- How to create, assimilate, restore and further strengthen their positive self-image and how it could be an effective leadership tool.
- They will also assess and understand their own strengths, how to maximize their core strengths to lead a happy and successful life.
- working as a team is important in every environment. The course is designed in a way to guide students to work cohesively as a unit.

After the successful completion of the course, the students will receive an E-certificate of completion. Students who volunteer to coordinate the activities in the class will receive a special mention as a coordinator in their certificate.

### About Inner Happiness Index

Inner Happiness Index is a sole proprietorship firm owned by Ms. Shalini Vikram.

which comes under overall wellbeing and managing relationships and inculcating good work ethics, spiritual camps, meditation, teacher trainings, cultural activities, education, relaxation, all kinds of meditation, training and providing tools for wellbeing & stress management. The firm creates content, written/audio visuals/podcasts/videos/ quotes & short stories related to the above.

### Course Instructor

**Ms. Shalini Vikram** is the founder and owner of the sole proprietorship firm- 'Inner Happiness Index'. She is a motivational speaker, writer and a mentor for guided meditations. On creating a successful program on joy, she is now fondly referred to as the 'Ambassador of Joy'. She believes that words can heal. She connects with people through her workshops, talks, courses, poems, prose, short quotes and captivating audiovisuals. She reiterates that holding on to one's faith can lift depression and spread happiness. Her words have innate vibrations and positive energy that have turned the lives of people around. She has created website content and blogs for companies in both India and UK, but her heart always goes for soulful inspirational writing.

She conducts guided Meditation sessions (both in India and in US) to help people tap into their inner

core soul strength and for them to be able to achieve anything they set out their minds for.

She holds a master's degree in English from Sri Venkateshwara college, Delhi University and PGD in Marketing Management.

She began her career as a copywriter in an advertising agency and has worked with 'The Times of India' among other corporates.

She has been actively involved in Community well-being events since she has been living in the US. She continues to be a part of such events in India too.

She believes that there are different shades of happiness which we all have to unravel. Our myopic outlook often hinders our acceptance of happiness. She envisions a world where everyone can transform their lives by accessing their inner positive being.

**ABOUT THE COLLEGE**

Mata Sundri College for Women is an institution where we strive to achieve excellence not only in higher education but also women empowerment. A constituent college of the University of Delhi, the college, was founded on 17th July, 1967 by the Gurdwara Prabhandak Committee, Delhi State. We are proud of a robust student strength of more than four thousand vibrant young women in the college and a strength of 175 distinguished faculty members and 64 members of the Non-Teaching Staff. With its extremely well-qualified teaching faculty and an efficient support staff backing them, the college provides an ideal learning environment for young women, giving shape to their most cherished dreams and wings to their creative pursuits. We are a college offering Humanities, Commerce and Science courses to students who come from diverse backgrounds. Our college is one of the eight colleges of University of Delhi which offers the Bachelor of Elementary Education (B.El.Ed.) course which is an integrated professional degree programme. In addition, with a view to encourage skill based education, we offer many skill development programmes like Basic and Advanced Courses in Computers, Travel and Tourism, Textile Designing and Foreign Languages. Our mission is to provide quality education to students blending it with sound values and ideals that not only nurtures individual talents but also fosters a spirit of camaraderie and teamwork.

**ABOUT THE DEPARTMENT OF COMMERCE**

The department of Commerce was established in 1977. This department is the largest department of the College. It places high value on providing its students with academic excellence, professional knowledge and practical skills globally suited for industry, business and service sector. The Commerce department organizes several extra-curricular activities including inter-college and inter-department events. The Department provides a stimulating environment for the holistic development of its students and envisions students to become leading

professionals by continuously grooming them in corporate etiquette, campus to corporate transition, communication skills and interview skills by special lectures and talks by eminent personalities.

**ABOUT UDDHAM: THE ENTREPRENEURSHIP CELL**

With the ongoing vogue of Start-up India, Mata Sundri College for Women has come up with the platform for uncovering the latent entrepreneur among the students, and continuing with it, established an entrepreneurial cell for the students to learn, develop and enhance entrepreneurial skills to establish and run a successful startup, thereby making them financially independent as well as job providers. It intends to provide a platform for students to get excellent professional mentorship from experienced, varied and distinguished mentor pool, and to showcase their ideas in front of Venture Capitalists, Angel Investors and Industry Leaders, from time to time in industry interactions.

**ABOUT THE KIRORIMAL COLLEGE**

Kirori Mal College is an institution of academic excellence, established in 1954, the college has always strived to, and successfully maintained its place as one of the finest within the University of Delhi. The college encourages a quest for knowledge that is rooted in an ethical understanding of the world. Over the years, the college has built up an impressive array of academic facilities such as a fully computerized library, a state of the art computer center and an active placement cell. The college has also initiated six months' certificate on Entrepreneurship and Start-up under UGC - National Skill Qualification Framework (NSQF) to inculcate skills among young students to start their own venture.

**ABOUT THE CERTIFICATE COURSE – “Entrepreneurial Idea Development and Skill Enhancement”**

Skill and knowledge are the driving forces of economic growth and social development for any country. Presently, the country faces a demand – supply mismatch, as the economy needs more 'skilled' workforce than that is available. In the higher education sphere, knowledge and skills are required for diverse forms of employment in the sector of education, health care manufacturing and other services. Keeping this in mind, we are pleased to announce that Mata
