Water conservation facilities available in the institution

1. rain water harvesting
 2. borewell/ open well recharge
 3. construction of tanks and bunds
 4. waste water management
 5. maintenance of water bodies and distribution system in the campus
- (We have selected 3)

DVV queries

1. please provide geo tagged photos of waste water recycling, maintenance of water bodies and distribution system in the campus with caption
2. please provide bills for the purchase of equipment for the facilities created under this metric
3. please provide any other relevant proof for the selected options

Reply

The college do not have waste water management facility and other water bodies in the college campus. So there are no geo tagged photographs and bills for the same.

We have selected 3

Rain water harvesting system
Borewell/ open well recharge
Construction of tanks and bunds

The geo tagged photographs and copy of the bills for the above have been provided
