“PRATISPARDHA 2026”
An
AN INTER-COLLEGE KNOWLEDGE COMPETITION
On
10th February 2026
Organised By
PRAYAS – The Placement and Internship Cell

Competitions and academic events play a significant role in enhancing students’ knowledge, analytical abilities, and confidence. With aim to encourage intellectual engagement and healthy competition among students, **PRAYAS - The Placement and Internship Cell** of **Mata Sundri College for Women**, in collaboration with Vision IAS, organised “**Pratispardha 2026**”, an Inter-College Knowledge Competition on 10th February 2026.

The event witnessed **enthusiastic participation** from students belonging to different courses and academic years. A total of 62 students attended the competition, making it an **engaging and intellectually stimulating event**.

The programme began with an opening speech delivered by Samya, who warmly welcomed the participants and highlighted the importance of knowledge-based competitions in broadening students’ perspectives and encouraging critical thinking. The opening address set an inspiring tone for the event and motivated the participants to actively engage in the competition.

The competition consisted of various rounds designed to test the participants’ knowledge, analytical thinking, and quick decision-making skills. Students competed with great enthusiasm and displayed impressive awareness of diverse subjects including current affairs, general knowledge, and academic topics.

The event provided students with an excellent platform to showcase their knowledge and develop confidence in a competitive environment. The atmosphere throughout the **competition remained lively, interactive, and intellectually enriching**.

Overall, **Pratispardha 2026** proved to be a **highly successful and enriching event**. It not only promoted academic excellence but also encouraged students to expand their knowledge and develop a spirit of healthy competition.

The event **concluded on a positive note**, leaving participants inspired and motivated to continue pursuing learning and intellectual growth.
