

A Report on “Exploring Career Opportunities in Accounts & Finance”

Organised by

The Department of Commerce and Mata Sundri Innovation and Incubation Cell (MSIIC) in collaboration with EdZeb

The Department of Commerce, in collaboration with the Mata Sundri Innovation and Incubation Cell (MSIIC), organized a career guidance session titled “**Exploring Career Opportunities in Accounts & Finance: Pathways, Roles & Future Scope**” on **2nd February 2026** at Mata Sundri College for Women, University of Delhi. The session witnessed enthusiastic participation from **over 50 students** across different courses, reflecting keen interest in understanding career opportunities in the field of accounts and finance.

The session was conducted by **CA Amit Jugia, Co-Founder & CEO, EdZeb**, who shared in-depth knowledge and practical insights drawn from real-world industry experience. The speaker discussed various career pathways and professional roles, helping students gain clarity about the scope and future prospects of the field. Students found the session highly useful and relevant, as it closely aligned with their academic and professional expectations.

A key highlight of the session was the discussion on the **interview and recruitment process**. Through **practical examples**, the speaker explained how interviewers assess candidates before making hiring decisions. By comparing two candidates **one with strong academic performance** and the **other with practical work experience**, he emphasized that hands-on exposure, industry readiness, and problem-solving skills often carry significant weight during interviews.

The speaker also emphasized the importance of pursuing competitive examinations such as **CAT**, advising students to make such decisions based on genuine interest and career goals rather than following popular trends. He encouraged students to choose professional paths consciously, stressing that success comes from alignment between personal motivation and career choices.

The successful organization of the event **Exploring Career Opportunities in Accounts & Finance** was made possible under the able guidance and mentorship of **Prof. Harpreet Kaur, Principal, Mata Sundri College for Women**. The event was efficiently convened by **Dr. Harshmeeta Kaur Soni (Convener)** and **Dr. Ashema Hasti (Co-Convener)**, with valuable support from **Dr. S. Kalpana Devi, TIC, Commerce Department**. The insightful session was enriched by the presence of **CA Amit Jugia, Co-Founder & CEO, EdZeb**, whose expertise added great value to the discussion. The dedicated efforts of the organising team members from the **Mata Sundri Innovation and Incubation Cell (MSIIC) Society** and the **Department of Computer Science** played a crucial role in the smooth execution of the event.

A special mention goes to **Lipika Yadav (President)** and **Divleen Kaur (Vice-President)** for their leadership, along with the other team members whose seamless management and coordination ensured the overall success of the event.

The session concluded with an engaging interaction, leaving students motivated and better informed about career planning and skill development.

Overall, the event was a great success, offering students valuable guidance, practical clarity, and a realistic understanding of industry expectations in the field of accounts and finance.
