The Swachhta Awareness Society of Mata Sundri College for Women, University of Delhi, organized a lecture on “**Government Policies and Their Impact on the Environment**” on 7th April 2025 at Bebe Nanki Hall. The lecture aimed to enhance students’ understanding of the relationship between government policies and environmental issues, while encouraging them to reflect on the role of policy-making in promoting environmental sustainability.

The event was organized under the guidance of **Convenor Dr. Kavita Singh**, with the support of the faculty coordinators from various departments. The event also received encouragement from **Prof. (Dr.) Harpreet Kaur, Principal of the college**.

The lecture was delivered by **Dr. Avneet Kaur, Assistant Professor, Department of Political Science**, who addressed the students on the significance of government policies in shaping environmental outcomes. The session provided an academic platform for students to understand environmental concerns from a policy and governance perspective.

The administrative and organizational responsibilities were managed by the student leadership team:

- **Urvi Berry – President**
- **Rashika Bhatte – Vice President**
- **Ananya Malhotra – Secretary**
- **Anushka Kashyap – Joint Secretary**
- **Darshpreet Kaur – Event Head**

The event witnessed participation from students and provided an opportunity for meaningful academic engagement with the subject of environmental governance. The lecture encouraged students to develop greater awareness of how governmental decisions and policies can influence environmental protection and sustainability.

E-Certificates were provided to the attendees as a token of participation. The session concluded with an emphasis on the importance of environmental awareness and the role of individuals and institutions in supporting sustainable practices.

Overall, the lecture served as an informative and engaging initiative by the **Swachhta Awareness Society**, contributing to greater awareness among students about environmental issues and their connection with government policies.
