

Report on Cultural Farewell

The Cultural Farewell was organized on **29 April** in Room 211 to bid a warm and memorable farewell to our senior students. The programme commenced at around 12:00 p.m. and was attended by the outgoing seniors along with our respected Cultural Convenors.

The event began with a warm welcome to the seniors and Cultural Convenors. A special speech was delivered to express our gratitude towards our teachers for their constant guidance, support, and encouragement. The teachers were then honoured with roses as a token of respect and appreciation.

The programme continued with an exciting Miss Farewell Ramp Walk, which added energy and enthusiasm to the event. This was followed by the presentation of various fun and memorable titles to each senior, celebrating their unique personalities and contributions.

The celebration became even more cheerful with a cake-cutting ceremony, followed by a short dance session where everyone came together to enjoy the moment. A heartfelt farewell speech was then delivered for the seniors, expressing our appreciation for the memories, experiences, and bonds shared with them.

Towards the end of the programme, a flashback memory video was played, showcasing memorable moments and cherished memories of the seniors. The video brought back many special moments and made the farewell emotional and nostalgic for everyone present.

The Cultural Farewell concluded on a warm and memorable note. It was a beautiful celebration of the bond between the juniors, seniors, and teachers, leaving everyone with happy memories to cherish.
