Motivation to MBA Cell (An initiative of IQAC)**

An initiative of

Mata Sundri College for Women
University of Delhi

In association with

Jamboree Education

Pursuing an MBA, whether in India or abroad, requires strategic planning, informed decision-making, and a clear understanding of entrance examinations and admission procedures. With this objective, PRAYAS – Placement and Internship Cell, in collaboration with the Motivation to MBA Cell (IQAC) and Jamboree Education, organised a seminar on “MBA in India & Abroad: GMAT/GRE Preparation and Admissions” on 5th February 2026 at Mata Gujri Hall, Mata Sundri College for Women.

The event was conducted under the guidance of Dr. Ashema Hasti (Convenor, PRAYAS), Dr. Harshmeeta Kaur Soni (Co-Convenor, PRAYAS), Mr. Harjeet Singh (Faculty Coordinator, PRAYAS), Dr. Sukhwinder Kaur (Faculty Coordinator, MBA CELL) and Dr. Gurpreet Kaur (Faculty Coordinator, MBA CELL), with the support of faculty coordinators from PRAYAS and the MBA Cell. The seminar witnessed enthusiastic participation from students aspiring to pursue management and higher education programmes.

The session was led by Mr. Syed Khalid, Study-Abroad Admissions Expert at Jamboree Education, who provided valuable insights into management education opportunities in India and abroad.

During the session, the speaker discussed:

- Various management programmes such as MBA, MIM, MS, and PhD
- The structure, pattern, and importance of GMAT and GRE examinations
- Eligibility criteria and timelines for domestic and international admissions
- The significance of profile building, academic consistency, and extracurricular involvement

The speaker further elaborated on the admission process, highlighting key aspects such as:

- Selection of universities and countries based on individual career goals
- Understanding application components including SOPs, LORs, and interviews
- Availability of scholarships and financial planning for higher education
- Career prospects and global exposure after completing an MBA

The session was made interactive through practical examples, real-life experiences, and case-based explanations, which helped students relate theoretical information to real admission scenarios. This was followed by an engaging question-and-answer session, where students actively raised queries regarding exam preparation strategies, application procedures, and future career pathways.

Overall, the seminar proved to be highly informative and enriching, equipping students with clarity and confidence regarding MBA opportunities in India and abroad. The event concluded successfully, leaving the participants well-informed, motivated, and better prepared to plan their academic and professional journeys.
