Asia Pacific

8th INTERNATIONAL MODERN SCIENCES CONGRESS

11-13 September, 2023

Congress Head- Prof. Harpreet Kaur

Head Organizing Committee: Dr. Uzma Nadeem

Mata Sundri College for Women hosted the Asia Pacific "**8th International Modern Sciences Congress**" in collaboration with the **Institute of Economic Development and Social Researches, Turkey**, from 11-13 September, 2023 in Hybrid Mode.

The Asia Pacific 8th International Modern Sciences Congress commenced with a vibrant opening ceremony that brought together esteemed speakers and delegates from various corners of the globe. Here is a summary of the key highlights:

Welcome Addresses:

- Dr. Mustafa Latif EMEK, President of the Institute of Economic Development and Social Research, Türkiye, delivered a warm welcome speech, setting the tone for the event.
- Prof. Harpreet Kaur, Principal of Mata Sundri College for Women, University of Delhi, India, and Congress Head, extended her greetings and highlighted the significance of the congress in fostering interdisciplinary dialogue.
- Dr. Uzma Nadeem, from Mata Sundri College for Women, University of Delhi, India, and Organizing Committee Head, also welcomed attendees and emphasized the collaborative spirit of the congress.

Keynote Lectures:

- Prof. Vandana Mishra, from the Department of Environmental Studies, University of Delhi, India, addressed the audience on "Fast Fashion's Ripple Effect: Assessing Impact and Taking Steps." She shed light on the environmental consequences of fast fashion and proposed strategies for mitigation.
- Prof. Luiza Gabunia, Director of Scientific Research-Skills Center and President of Biomedical Research Development Association at Tbilisi State Medical University, Georgia, delivered a keynote on "Polypharmacy as one of the causes of iatrogenic disease, the main aspects of its prevention and management." Prof. Gabunia discussed the complexities of polypharmacy and offered insights into prevention and management strategies.

The opening ceremony set a promising tone for the “Asia Pacific 8th International Modern Sciences Congress”, providing a platform for knowledge exchange and collaboration among scholars, researchers, and practitioners in modern sciences across the Asia Pacific region.

The Asia Pacific 8th International Modern Sciences Congress was a significant event that brought together experts, scholars, and practitioners from various disciplines within the modern sciences domain and served as a dynamic platform for advancing scientific knowledge, fostering collaboration, and addressing pressing challenges facing the modern world. By bringing together experts from diverse backgrounds, the congress contributed to the exchange of ideas and the advancement of science for the betterment of society. The conference received about 148 research papers from 16 countries (India, Türkiye, Azerbaijan, Algeria, Ethiopia, Indonesia, Italy, Libya, Morocco, Nigeria, Pakistan, Poland, Romania, Russia, United Arab Emirates, United Kingdom).
