

## **BANNER MAKING- 19th SEPTEMBER, 2021**

"The vote is precious. It is the most powerful non-violent tool we have in a democratic society, and we must use it." Parivartan, the NSS unit of Mata Sundri College for Women organized a 'Banner Making Event' on the occasion of the Youth Voter Festival.

The event was organised on 19th September, 2021 wherein 25 volunteers participated and educated people about the importance of voting through their banners. With the help of this event, we were able to create awareness, showcase our creativity and gain courage to stand with a banner outside our houses.

This was surely a successful event which focused on community growth as well as personal growth. While the right to vote is widely recognized as a fundamental human right, this right is not fully exercised by millions of individuals around the world.

Voting is a responsibility of all the citizens. The law does not require citizens to vote, but voting is a very important part of any democracy. By voting, citizens are participating in the democratic process. Citizens vote for leaders to represent them and their ideas, and the leaders support the citizens' interests.

By not voting, we might actually encourage the wrong candidate to form the government who will in turn be accountable for the country's poor growth.
