## **FLASHCARD MAKING**

"So long as you do not achieve social liberty, whatever freedom is provided by the law is of now avail to you"- BR Ambedkar

Parivartan, The NSS unit of Mata Sundri College for Women organised Flash Card Making under Azadi ka Amrit Mahotsav on 18th July, 2021. The topic for the event was 'India's Freedom Fighters'.

*'Azadi ka Amrut Mahotsav' means the "elixir of the energy of freedom".*

Apart from this Mahotsav, the young generation has to be made aware of the achievements, actions, resolutions of the Country in 75 years so that it will inspire them to move forward and to realize the dreams of an independent India. Azadi ka Amrit Mahotsav is a tribute to our freedom fighters and freedom movement.

Volunteers participated in this event and motive of the event i.e. spreading awareness about our freedom fighters was fulfilled. Volunteers were requested to send their entries through the google drive link by 5 PM.

Freedom fighters are considered the epitome of patriotic people. When the youth of the nation learns about the pains and struggles that the freedom fighters underwent to let the current generation breathe in fresh air of a free India, it will imbibe in them a sense of responsibility, develop their personality and ignite deep love for nation. The ideas of freedom fighters not only inspire millions of Indian youth but also, their thoughts guide them even in present times. They presented the ideas of fighting for injustice and for people to know their rights, both of which are still relevant today.

Freedom is not free, our fighters paid its price and it's our responsibility to contribute towards the progress of our nation and do justice to the sacrifices of our brave hearts who envisioned a free independent India, perfect in all forms. The youth of our country should strive towards making their dream India a reality.
