Volunteers made colourful greeting cards on the topic- Bharat Ke Rakshak. A greeting card expresses all the human emotions, joy, thanks, sympathy, love and admiration. It allows us to connect on an emotional level with the people who have touched our lives. Keeping this in mind volunteers made beautiful greeting cards for our soldiers who sacrifice everything for us and our country. They leave their family, friends, home and all the comfort for securing our comfort. We mostly forget their supreme sacrifice and never try to understand their emotions and feelings. through the cards, the volunteers showed immense gratitude and were thankful to the soldiers for everything they do for us.

In the cards volunteers drew various scenes of the war showing the bravery, courage, best skills, perfection and Excellency of the soldiers. They also wrote beautiful thank you messages and quotes to pay homage to the soldiers.
