

LAUNCH DAY

The event of 'Launch Day' was organized by the Union Minister of Health and Family Welfare- Mansukh L. Mandaviya. The event was on the 12th of August, 2021 at 1 pm. The NSS unit of Mata Sundri College for Women participated as an audience for this event and listened about the problems and cures for Tuberculosis and HIV, AIDS.

They elaborated about how government supported them and their target of eradicating TB from India till 2025. It was held in the presence of Dr. Bharati Pravin Pawar, Union Minister of State for Health and Family Welfare. The event was organized by National AIDS Control Organisation (NACO).

The Union Health Minister virtually engaged with more than 1,00,000 students from government schools and colleges as part of the nationwide celebration of Bharat Ka Amrut Mahotsav to mark the 75th year of India's Independence including 21 volunteers of our team.

Three survivors and warriors who were earlier affected by HIV, Tuberculosis, and Thalassemia shared how the schemes of the Government of India have helped and supported them in their fight against these diseases. He expressed his elation at the participation of more than 1 lakh youth across the country. He congratulated all NGOs and CSOs who have been instrumental in generating awareness and have been organizing blood donation camps.
