

OFFLINE MEET

FLAG DAY

“Patriotism consists not in waving the flag, but in striving that our country shall be righteous as well as strong.”

Parivartan, the NSS unit of Mata Sundri College for Women organized an offline meet on 25 November 2021. Volunteers had to report at the college for an event that was conducted on the occasion of Flag Day. The Flag Day of India is a day dedicated towards collection of funds from people of India for the welfare of the Indian Armed Forces personnel. It has been observed annually in India on December 7 since 1949. Over the years, it has become a tradition to commemorate this day as an honour to the soldiers, airmen and sailors of India. The National Flag of India (Hindi: Tirāṅgā) is a horizontal rectangular tricolour of India saffron, white and India green; with the Ashoka Chakra, a 24-spoke wheel, in navy blue at its centre.

To grace the occasion and cherish our national flag, Volunteers made beautiful posters showcasing their talents by expressing the importance of the flag through their handmade posters. Volunteers participated in this event. After reporting to the college premises each of the volunteers was asked to raise awareness among the people around college about Flag day so each one has taken their poster and by holding Poster they have shown Tri-colour importance to College staff and people around College.

After that the programme officer distributed a sticker to put it up and then our NSS team with all the volunteers including our programme officer sang the national anthem to invoke the National Spirit among Volunteers. The main Motive of the event was to make Volunteers learn about the national flag, how important is our national flag is for us, what's the history behind the making of the flag, why tri-Colors has chosen. The day marks the day of the flag with a motive to aware the youth as the nation depends on the youth and their ability to change the country. The event was great Success with good number of participation.
