

PLEDGE

UNITY DAY

"Unity to be real must stand the severest strain without breaking."

Parivartan, the NSS Unit of Mata Sundri College for Women organized a PLEDGE on the occasion of "UNITY DAY". It was conducted on 31st October 2021 and 40 members participated actively and took the oath. We have taken the Oath both in Hindi and English. National Unity Day is also called Rastriya Ektadiwas which is celebrated on 31st October each year to commemorate the birth anniversary of the iron man of India, Sardar Vallabhbhai Patel. National Unity Day 2021 will mark 146th anniversary of Patel. India is a country rich in religious, cultural, and linguistic diversity. As a result, maintaining the nation's cohesiveness is important.

The purpose of the day is to raise awareness of Patel's contribution to Indian history. Declaring in 2014 that India will henceforth celebrate National Unity Day on October 31, the central government said in an official statement that this occasion "will provide an opportunity to reaffirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity, and security of our country." The ministry of human resource development has also issued instructions to allow students of schools and colleges to be administered the Rastriya Ekta Diwas pledge to motivate them to strive to maintain the unity and integrity of the country.

The ideologies of Sardar Vallabhbhai Patel are also reflected in India's Atmanirbhar Bharat Abhiyan as Patel championed the ideas of united and able India (Ek Bharat, Shrestha Bharat.) Towards Common Goal- Unity. People in unity look forward to work towards a common goal instead of satisfying their own. People help each other and provide moral as well as financial support when it is needed. We always should be united at each step of our lives.
