VIGILANCE AWARENESS WEEK

"Vigilance is not only the price of liberty but of success of any sort."

Parivartan, the NSS Unit of Mata Sundri College for Women organized a PLEDGE on the occasion of "VIGILANCE AWARENESS WEEK". It was conducted on 29th October 2021 and 45 members participated actively and took the oath. The awareness campaign is being observed to mark respect to Sardar Valla Bhai Patel on his birth anniversary on October 31. The week is being observed with the aim of raising the concern of the growing threat of corruption and its consequences. This week is significant because vigilance and awareness are the growing need of developing nations that are focusing on societal up-gradation and undergoing transformation. The Vigilance Awareness Week is being observed from 26th October 2021 to 1st November 2021 with the theme of "Independent India @ 75: Self Reliance with Integrity". Every Volunteer took the pledge and then we discussed how corruption is so common that sometimes we don't even know that we are taking a part in it. In pursuit of the vision of the Government of India to make a New India by the year 2022, which is the 75th anniversary of our independence, the Central Vigilance Commission, as the apex integrity institution of the country, endeavors to promote integrity, transparency, and accountability in public life. Observance of Vigilance Awareness Week every year is part of the multi-pronged approach of the Commission where a key strategy is to encourage all stakeholders to collectively participate in the prevention of, and the fight against corruption and to raise public awareness regarding the existence, causes, and gravity of and the threat posed by corruption. As Gautam Buddha said through vigilance, restraint, and control the wise will construct an island that no flood will overcome. We can only win this fight with INTEGRITY.
