

POWERPOINT PRESENTATION AND QUIZ

Parivartan, the NSS unit of Mata Sundri College for Women organized PowerPoint presentation and quiz on 26th November at 6:00 pm. The event was organised via google meet. A total of 33 volunteers participated in the following event.

A video and PowerPoint presentation was shown to the volunteers on the topic of voter awareness. The PowerPoint and video basically consisted information about how one can enrol themselves in voter roll and what are its procedure and requirements. The nature of democracy is that elected officials are accountable to the people, and they must return to the voters at prescribed intervals to seek their mandate to continue in office. For that reason, most democratic constitutions provide those elections are held at fixed regular intervals. To explain this this event was conducted.

The event was hosted by 2 of the volunteers Ananya Khanduri and Smriti Dhingra. They explained each and every detail about how to enrol ourselves as voters. The law does not require citizens to vote mandatorily, but voting is a very important part of any democracy. By voting, citizens are participating in the democratic process. Citizens vote for leaders to represent them and their ideas, and the leaders support the citizens' interests. The event was very informative and volunteers were able to get a deep insight about form registration.

After the explanation given by the volunteers, a small quiz was conducted in order to see how much of the information was grasped by the attendees. All the attending volunteers answered to the questions enthusiastically and quickly. They even shared their thoughts on the topic and how they would raise awareness around them and encourage people to vote and register. Volunteers even talked about how soon in the upcoming elections of any level would be their first time voting which got them really enthusiastic.
