

QUIZZLE

RED RIBBON CLUB

Parivartan, the NSS unit of Mata Sundri College for Women in collaboration with Red Ribbons Club, organised 'Quizzle' - a quiz competition. The quiz was held on 5th October, 2021 at 6:00 PM via Google form.

Red Ribbons Club is a voluntary on-campus organisation with the aim to generate awareness about the high-risk perception and prevention of HIV as well as to promote the youth for the noble cause of voluntary blood donation.

This quiz aimed at raising awareness about HIV and AIDS. The quiz comprised of 20 questions which were to be completed in a time frame of 20 minutes, starting from 6 PM and ending at 6:20 PM. The question format followed was of both MCQ and fill in the blanks. The quiz focussed on all important aspects, from what is HIV, when HIV becomes AIDS and what is AIDS. The event was a success as volunteers enthusiastically showed active participation, thus, gaining insightful knowledge about HIV and AIDS. Hence, the quiz busted myths and provided important facts to the participants.

47 volunteers participated in the quiz. The winner had received full marks i.e., 20 and the second and third position scored 19 which was similar to 4 other contestants but they won due to their speed.
