

TED TALK

SOLIDITY WEEK

Parivartan, the NSS unit of Mata Sundri College for Women organized "TED TALKS" on the topic "Health Justice for Justice Health" under solidarity week. It was organised on 26th June 2021 at 5pm on Google meet. A TEDx Talk is a showcase for speakers presenting great, well-formed ideas in under 18 minutes. These talks are not about one big, world-changing idea, but instead a very engaging take on an interesting topic. Over the years, presenters of TED talks have included Bill Clinton, Bill Gates, Bono, Jane Goodall, Richard Dawkins. After the ted talk all the volunteers had a healthy discussion. They talked about the ideas that are worth spreading. Everybody had put forward their views and the event went for an hour due to engaging, prolonged talks. It was a successful event. 25 NSS Volunteers participated in this event.
