

# Vaccination Drive

The District Administration, District Central and New Delhi organized a "Mega COVID-19 Vaccination Camp" within the premises of Mata Sundri College for Women, Delhi University. The camp was set up on the 10th October, 2021 and around 10 AM the vaccination process was begun.

The volunteers of Parivartan, the NSS unit of Mata Sundri College for Women assisted the members of the Civil Defence to maintain the smooth functioning of the camp within the college premises. Respected SDM, SHO, Principal Ma'am and our Program Officer were all present to guide the volunteers and boost the doctors and vaccine administrators' moral.

There were 50 vaccination both set up within the campus and a waiting room was made available by dividing the premise through a temporary wall. There were buses full of people that arrived inside the college campus to get vaccinated in guidance of this camp organised in the college. The civil defence member guided them through the process, took charge of the documentation that was needed to be done. The NSS volunteers assisted them in any way that they could.

The camp offered both doses of Covishield and the 2nd Dose only for Covaxin. The facility to get haemoglobin checked was also set up and everyone including our volunteers took turns to get it checked. The turnout for this free walk-in vaccination campaign was astounding.

The aim for the camp was successfully achieved due to the hard work of the doctors, vaccine administrators, District Administration and the College Administration. If the vaccination process goes on like this then the day when things go back to normal isn't very far away. The NSS volunteers of Mata Sundri College for Women were grateful to be a part of such wonderful initiative and always look forward to have more opportunities like these in the future to provide their help to the community in any way possible.
