A meeting of the Deptt was held on 10/2/25 to discuss about offering the paper "Research Methods in Politics" for DSE BA (H) 6th Sem and DSE BA Prog 6th Sem.

The Meeting was a followup to the Registrar's mail received by the College on 4/2/25 stating that several Colleges of DU who had not offered the RM Paper be advised to offer so for students opting for 4 yr UG Programme. As DSE is not a core paper and colleges had offered several options besides RM.

A 3 step process was followed for both (H) and Prog 6th Sem.

(a) Student were physically asked and responses were written down for all 3 sections.

(b) Polling was done for BA (P)

(c) A combined online meeting was held for all 3 sections, thereafter which google forms were floated and 2 days time was given to express their choice.

10.2.2025.

A meeting of the Department of Political Science was held on 10.2.2025. The department has decided to offer Research Method ~~as~~ in ice (third year) DSE as per the guidelines received from the University. A suggestion was floated in the meeting that the paper can be taught in a hybrid mode since the semester has started already and faculties have their own full workload. Secondly, it was also suggested that the appointment of the HH candidate for Assistant Professor can be expediated.
