Department Meeting

The dept met on 11th August at 12 PM to discuss a new structural change introduced by the B.C. ed Dept.

The dept. collectively decided ~~not~~ arrived at a conclusion that it is unfeasible to accommodate more workload or to include IT&P students to our honours classes.

Opening up another section would mean we require additional hands.

Moreover, merging them with honours sections dilutes the seriousness of an honours course.

The Dept decided to meet the TT committee in charge Dr. Meenakshi Kohli followed by meeting the Principal.

The following members were present:
