Report on the ITEP orientation programme

The department of education organised an orientation programme to warmly welcome newly admitted ITEP students and introduce them to the department's academic environment.

The principal Prof. Hapreet Kaur enlightened the students with her graceful presence and wise words. She encouraged students to lead an enriching college life and briefed them about their course's relevance.

Dr Nidhi Kunwar addressed the students and emphasised on the importance of maintaining attendance and adhering to the college timings. She encouraged students to be regular, punctual and actively participate in academic and department activities throughout their college journey.

All the other subject specific teachers oriented fresher students towards their subject domains and curricular possibilities. They motivated them to make most of their upcoming opportunities in the concerned subject areas. They conveyed their best wishes to all the students for their upcoming journey and academic year.

This was followed by the introduction to all student council members of ignite. Students felt extremely happy to meet their friendly seniors and interact with them. Overall it was a lovely time for freshers and seniors to know more about each other

After the formal proceedings, refreshments were distributed, giving everyone an opportunity to relax and interact. The programme concluded with a warm and heartfelt interaction between the seniors and the new students. Seniors shared their experiences, offered valuable guidance, and answered the students' questions, creating

a friendly and welcoming atmosphere that helped the newcomers feel comfortable and confident about beginning their college journey.
