

ALUMAE INTERACTION 2026

REPORT

DATE : 27th April, 2026

VENUE : Mata Sundri College for Women

TIME : 11:00 AM onwards

Invictus, the Commerce Society of Mata Sundri College for Women, in collaboration with the **Central Alumnae Committee**, organised a first-of-its-kind engaging **Alumnae Interaction** Session for students. The session aimed to provide insights into career paths and professional growth through the experiences of accomplished alumni.

The event featured three distinguished alumnae, **Ms. Palak Mangtani, Ms. Kinjal Khandelwal, and Ms. Unnati Bisht**, all of whom were previously officebearers of Invictus and proactive members of MSCW. Today, they have established themselves in diverse professional fields including **media, marketing, and consulting**, reflecting their dedication and growth beyond college.

The session was conducted in a podcast format, where the speakers were interviewed on topics such as **career choices, work-life balance, and navigating professional journeys**. Interactive segments like “This or That” and “Never Have I Ever” added an element of engagement and relatability for the panel as well as the audience.

The session proved highly beneficial for third- and fourth-year students, offering practical insights into different career options. The speakers emphasized the importance of **exploring opportunities, staying persistent, and learning from experiences**. Their advice to their younger selves encouraged students to remain open-minded and resilient.

Overall, the session was insightful and inspiring, helping students gain clarity and motivation for their future careers.
