EARTHCON, the Eco Club of Mata Sundri College for Women, conducted an orientation session on 21st August 2026 to introduce students to the club, its objectives, and its functioning. The session provided students with an overview of Earthcon and explained how the club works to promote environmental awareness and sustainable practices within the college community.

The students were also briefed about Earthcon's work and its various environmental initiatives. The orientation encouraged students to understand the importance of collective participation in environmental activities and motivated them to actively engage with the club's upcoming initiatives for creating a cleaner and more sustainable campus.
