Time-12:30P.M.

Pratibimb, the Film Society of Mata Sundri College for Women, organised an orientation event to formally introduce their agenda and office-bearers for the 2026-27 tenure.

Several of their planned activities were unveiled, alongside the acknowledgement of the society's official magazine. Additionally, the incredible events from last year were also reminisced; the Annual Fest-Lumière (Cinema Day), screenings of the movies, *The Colour Purple* and *Inside Out*, and the Screenwriting Workshop was especially highlighted.

This was followed by the introduction of the Conveners who duly welcomed the new members and shared their sentiments. The Core Members were felicitated and presented with their badges as they took upon their responsibilities.

The programme proceeded with a screening of the 2016 film, *A Flying Jatt*, which was met with immense enthusiasm from the audience. Following the screening, the Discussant of the society engaged in a critical examination of the film, emphasising on its significance from an ecological perspective. A few audience members also engaged in the discussion with their insight and feelings about the film. The event concluded on a high note, bringing together all members, through cinema and jubilation, to begin the new session.
