

Report on Plantation Drive at Mata Sundri College for Women

A Plantation Drive was organised at Mata Sundri College for Women on 24 August 2026, jointly by NSS Unit Parivartan and the Swachh Bharat Committee. The initiative aimed to promote environmental awareness, encourage sustainable practices, and sensitise students towards the importance of maintaining a clean and green campus.

The programme was coordinated collectively by the committee members, namely Dr. Kavita Singh, Convenor; Dr. Avneet Kaur, NSS Programme Officer; Dr. Harwinder Kaur, Member; and Ms. Palak Gangwar, President, NSS Unit Parivartan. The active participation of NSS volunteers and students contributed significantly to the successful conduct of the drive.

During the plantation activity, saplings were planted at designated locations within the college campus. The volunteers actively participated in the plantation process and were encouraged to understand their responsibility towards environmental conservation. The activity also highlighted the importance of increasing green cover, protecting biodiversity, and adopting environmentally responsible practices in everyday life.

The Plantation Drive served as a meaningful community engagement initiative and reinforced the commitment of NSS Unit Parivartan and the Swachh Bharat Committee towards creating a cleaner, greener, and more sustainable campus. The programme concluded with a collective pledge to nurture the planted saplings and continue efforts towards environmental protection.
