- Drishti Talwar
- Kritika Gupta
- Manisha Singh

Sessions were held with six classes, including 3rd , 4th and 5th-grade sections (two sections each class) . A total of 213 school students participated in this session. Different types of craft activities were done during the session which included (Butterfly making using origami paper), Bird Making ,Santa Claus and Paper Christmas tree, Puppet making activity,etc . All the children enjoyed doing these activities and showed their own creativity by decorating the craft items made by them. Children's works were displayed later in their classrooms by the volunteers.
